

SPECIALIST ADVICE & SOLUTIONS for Medical Professionals

As a medical professional, your risk management and financial needs are unique and require a specialized approach. Atlas is a division of Phoenix Independent Advisors, a trusted insurance firm, offering expert short-term insurance advice and best-in-market solutions. Our tailored services are designed specifically for medical professionals, ensuring they can manage their insurance needs with maximum efficiency and effectiveness.

Specialist risks that need to be assessed and insured for medical professionals include:

MEDICAL MALPRACTICE COVER

Comprehensive cover and support with individualised underwriting. We work with most major medical malpractice insurers and provide cover for all professions from surgeons to GP's to psychologists, biokineticists, and more. *(Through Genoa we also provide a free legal assistance benefit for state medical practitioners).*

INSTITUTIONAL MEDICAL MALPRACTICE & LIABILITY COVER

For practices, hospitals, institutions, frail care facilities and more.

SPECIALISED SHORT-TERM INSURANCE SOLUTIONS

Products for professionals to insure your practice and equipment as well as personal assets, such as your home, vehicles, electronic items and even art, wine and jewellery are correctly covered by best in market solutions.

CYBER COVER

To ensure you and your practice are covered against breach of patients data and information, business cyber interruption and extensive risks that are only growing day by day in this space.
